

DON'T BE CAUGHT UNPREPARED IN A CRISIS.

BE PART OF OUR EMERGENCY PREPAREDNESS PROGRAM TODAY.

Welcome! You are receiving this notification because you are in Zone 9.

Beverly Hills recently launched **JUST IN CASE BH**, a City-led, neighborhood-based emergency preparedness program to bring together Beverly Hills residents, businesses, fire, police, and other City agencies before, during and after disaster strikes.

Please share this flyer with everyone you know who lives and/or works in Beverly Hills. We need an informed and pro-active community for the program to succeed! The details for our next Zoom meeting can be found below:
